

## FARMHOUSE INN

# WINE COUNTRY COMFORT

Set deep within the Russian River Valley, Farmhouse Inn is more than a destination—it is a deliberate retreat. An intimate 25 room boutique hideaway where time expands, distractions dissolve, and space is created for what truly matters. Designed for groups who value discretion, exceptional cuisine, and the luxury of an unhurried rhythm, the Inn offers a rare sense of seclusion. With a limited collection of thoughtfully appointed rooms, surrounded by gardens and open skies, it embodies Sonoma's quieter, more refined side.

Purpose-built for executive retreats, incentive escapes, milestone celebrations, and intimate gatherings where meaningful connection carries equal weight to the agenda.
